Wildlife and Nature trail

(Lataguri at the fringes of Gorumara forest)
(4 DAYS / 3 NIGHTS)

Lataguri is a small village that is situated in the state of West Bengal, in the district of Jalpaiguri. Lataguri is one of the villages that are located along the periphery of the Gorumara National Park. The village is one of the entry points of the park and one can visit the Nature Interpretation Center that is located here. You can get information on the various varieties of flora and fauna in the center. There are a few roadside dhabas that are situated in the village as well and these cater to the travelers.

RESPONSIBLE TOURISM

Since the start, through our vision, the main objectives have been very strongly supported by:

The principles of **protecting** the environment, flora, fauna, landscapes

Respecting the local cultures, traditions, religions and heritage

Benefiting the local communities – both economically and socially

Conserving natural resources – from office to destinations

Minimizing pollution – from waste disposal and congestion

We recognize that tourism can be a real help to the local communities providing income, positive cultural exchanges and financial incentive to protect the natural environment.

We stress upon – that your holiday is someone else's home and leave nothing but footprints. Your activities should contribute to the conservation, well-being and everlasting pleasures for the future generation.
